### AMENITIES LEVY:

The amenities levy for 2019 will be R4 266. This levy covers the funding of various items including, certain excursions, some worksheet printing, the school magazine and school related IT software. It also includes the PA levy of R554 per child per year. This levy was introduced to alleviate repeated requests during the year for sponsorships and donations from the parent body. The PA’s function is to concentrate on organising social events with the emphasis on parent integration rather than fundraising.

## **STATIONERY LEVY:**

The stationery levy covers the cost of stationery for the classroom such as exercise books, certain textbooks and workbooks and an allowance for art activities. It varies according to grade. In the Foundation Phase (Grade 000 to Grade 3) the stationery levy covers the cost of all stationery and books that the learners need at school. In the Senior Prep phase, however, certain items are still required to be purchased by parents/guardians separately and a list of requirements will be provided.
